Welcome to Clyde Cooper's Barbeque

SERVING CAROLINA STYLE BARBEQUE SINCE 1938
We slow cook only top lean pork shoulders and hams until they are meltingly tender, mixed with a splash of our own tasty barbecue sauce, and good hospitality extends the tradition Clyde Cooper portrayed.

— **THE REASON WE WERE CASH ONLY IN THE RESTAURANT** —

Good ole Clyde would say back in the day "If you don't have cash to pay for it, you don't need it." We realize it's the 21st Century, however, the reason for "CASH ONLY" in the restaurant was that we were known as the place to go get quality food for less than \$10 for the working folks downtown. To take cards in the restaurant, prices would have to be raised to support the additional expense of the card fee. So, look at it this way, we were trying to save y'all some money by not raising prices to accommodate taking cards. However after 81 years hell froze over and we now are accepting cards.
